Reservations/Payment

Items are rented on a first come first served basis. If you need additional inventory we possibly can accommodate your needs if we have enough lead time. A 25% nonrefundable deposit is required before items will be reserved and balance of rental is due 7 days before your event for us to ensure we will have your inventory available. We request that no items be deleted after your order has been placed. Within 7 days of your event we cannot deduct items from your invoice as we do not have time to re-rent these items. We accept cash, check, Mastercard, Visa, Discover, and American Express.

Delivery/Pickup Setup/Takedown

*We are proud to offer delivery services in enclosed trailers. We do this to ensure that your supplies are as protected as possible. Delivery/Pickup is normally quoted as **tailgate drop-off**. If you have special needs such as delivery to inaccessible areas, items which need to be carried up and down stairs we can accommodate you for an additional charge. We deliver on Thursday or Friday and pickup on Monday or Tuesday during our normal business hours. After hours or weekend pickup is an additional \$50.00 per delivery or pickup. We require tables, chairs, etc. be stacked in mutually convenient area for pickup (usually under a tent). Also, we can do a complete setup or takedown or both if you require. Please try to arrange this **BEFORE** your event so as for everything to work in the smoothest possible manner. Some items must be delivered due to their delicate nature. Also some equipment is priced including delivery/pickup as noted by **INSTALLED** on our price list, however, this applies to local only. Delivery/Pickup is a minimum of \$20.00 but will vary according to distance and accessibility of the site. Please ask for quote if you are out of our local area or need delivery other than tailgate drop-off. Also, after hours and Sunday pickup are available at additional rates. Our goal is to provide you with the absolute best service possible.*

Rates

All rental rates are for 1 day or 1 event. Items can be picked 1 day before the event and returned the day after the event. Items must be returned in a timely manner. If you have a large event we will try to setup as early as possible so as to allow the maximum time for decorating. There is no extra rental or delivery charge for us to begin setup early. Our insurance company requires that we must have a copy of a valid drivers license and a major credit card. No security deposits are necessary. Please ask our staff to help you coordinate scheduling as they will work with you in any way possible.
